Information about Pre-paid Funeral Plans

My plan is with: _____

Plan identification number: _____

Final payment date: _____

My plan is located at: _____

Pre-arranging and pre-paying a funeral is like making a will, it takes care of the future and creates peace of mind for you and your family.

The funeral plan when fully paid is fixed at today's prices. The plan can be paid in full immediately or by regular installments over a three-year period.

The money is invested in your name with Funeral Plan Management, a wholly owned subsidiary of Lifeplan Australia Friendly Society Ltd. Once the funeral service under the plan has been conducted, Funeral Plan Management releases the funds to your nominated funeral director.

If you would like more information about pre-arranging and pre-paying a funeral, please call our friendly staff (phone numbers are located on the back of this brochure).

It's one thing you won't have to deal with alone.
